### THE INTERURBAN ROAD.

Possible Routes That Will be Selected for the Line.

The Greenville-Wolfe City Interurban line is receiving the attention of the progressive business men in the city, and of the wide-awake farmers between Greenville and Wolfe City.

Mr. Campbell who resides between Wolfe and Lily called at the offices of the company to see what was the best prospect for his section of the country. He is most interested in a line that would run east of T. Wells, pass on E. J. Brooks residence, north through the Prather place, thence by Lily to Wolfe City. This would be an air line route north from where the line would turn east of the Brooks place.

Mr. Campbell states that he is willing to assist in getting the next best thing if he does not get the real thing through his farm.

White Rock and Tidwell communities have joined hands on the White Rock road, and Tidwell is also pushing it along on the Tidwell valley route.

Reports from Aberfoyle is to the effect that that community is busy and is going to show up well for the line to come by Aberfoyle.

Jacobsia commonly is going to gather and will probably unite on a route that will be the best for all. The Haneyites and the Girdersites will probably agree on one route.

W. W. Wadley, J. T. Spradling and Robert McWhirter called at the office yesterday and went over the proposition with the secretary. They were in favor of the L. L. Bowman proposition as to the line crossing Howe creek on or at the J. L. Bowman farm and thence go north near the J. T. Spradling school house. These gentlemen stated that if the road was extended there north to the south east part of their Jacobsia place, thence north through the Charley Girdner property that it would be satisfactory to the entire Jacobsia community, and would be of the greatest benefit to all.

A petition will be presented to the company signed by the Jacobsia people requesting that the line be located and approved north.

The company expects to be able to select one or more routes in ten days for permanent survey and location.

## GOVERNOR BANDALA OF TABASCO

Finds Peruna To Be An Efficacious Remedy.

ABRAHAM BANDALA.

Abraham Bandala, governor of the state of Tabasco, writes as follows: San Juan Bautista, 6th Sept. 1906.

The Peruna Drug Mfg. Co.

Gentlemen-It gives me pleasure to say that the persons who have used the preparation Peruna for catarrhal affections have found it an efficacious cure worthy of being recommended.

You can make such use of this letter as you consider most adapted to your interests, and I beg to remain,

Yours very truly, Abraham Bandala.

Other distinguished persons from Mexico have given similar statements concerning the benefit of Peruna. Prominent among these men of world-wide reputation is Dr. Augustin Rivera.

Silao, Guanajuato, Mexico.

The Peruna Drug Co.

Gentlemen-Because of the magnificent results which I have obtained from the use of your praiseworthy remedy, "Peruna," in several obstinate cases of nasal catarrh, I take pleasure in writing you a testimonial recommending it as the best medicine discovered for such cases.

Prompt relief in all cases of throat and lung trouble if you use Chamberlain's Cough Remedy. Pleasant to take, soothing and healing in effect. Sold by McLaughly Bros. and all druggists.

Good but Cheap Pianos.

Call at Combs's for the best piano at the lowest prices.

By every family and especially those who reside in the country should be provided at all times with a bottle of Chamberlain's Liniment. There is no telling when it may be wanted in case of an accident or emergency. It is most excellent in all cases of rheumatism, sprains and bruises. Sold by McLaughly Bros. and all druggists.

## Woman's True Friend

Experimenting with new and untried medicines is foolish, and often dangerous. It would take a medicine more than forty years, to prove itself so universally good as Dr. Pierce's Favorite Prescription. During all that time it has been woman's favorite medicine-a restorative tonic, uplifting and invigorating the nervous and discouraged and giving them the final touch of perfect health.

Women use Dr. Pierce's Favorite Prescription in preference to all other advocated medicines for it contains no alcohol or habit-forming drugs-is not anything like advertised, secret, or patent medicines-does not claim to be able to do impossible things.

THE ONE REMEDY for women devised by a regularly graduated physician of vast experience in woman's ailments, and adapted to her delicate organism.

THE ONE REMEDY good enough that its makers are not afraid to print its every ingredient on its outside wrapper.

You can't afford to allow yourself to be over-persuaded into accepting any secret nostrum as a substitute for this honest square-deal non-secret medicine. Don't do it. No honest druggist will attempt to cheat you in this way. He who does should be rebuked and avoided. Doctors prescribe Dr. Pierce's Favorite Prescription for their worst cases because they know what it contains and know its ingredients to be of the very best.

It's well now and it will cleanse out bowel germs that breed weakness, loss of appetite, dizziness and headache. Dr. Pierce's Favorite Prescription keeps bowels sweet and clean, and prevents the formation of their purgative.

World's Dispensary Medical Association, Buffalo, N. Y.
